

Family Church Craft

Take a paper plate, and draw a swirling line from the centre to the outside with a pencil.

Then with different coloured pens write the phrase from the bible: “Be still and know that I am God” over and over until you reach the middle. Aim to finish with the word “God” right in the middle.

Then decorate in any way you want. Gail has sewn coloured wool around the edge, but you could use stickers, glitter or draw pictures. It will be a very happy reminder to “be still”. If you want to send photos when you’ve finished, I’ll be glad to put them on our Facebook page.
